Sense of the Sacred

A photograph of a priest and three children in school uniforms participating in a religious activity at an altar. The priest, on the left, is wearing a white cassock and a white stole. He is looking towards the children. The children, a girl and two boys, are gathered around a table covered with a white cloth. They are looking down at a book or paper on the table. On the table, there is a golden chalice, a small crucifix, and a bowl of water. The background shows a school building and greenery.
